School Items.
 The visitors of Tuesday were Will Haines, Win Wilson, Mina Haines, and Guy Milliken.

The pupils of the High School were favored with a vocal duet by Miss Freddy Pierce and Miss Blanche Cole.

Quite an excitement was caused Tuesday by a lawsuit between, Geo. Slate, plaintiff, and Ray Turk, defendant; Joe Sartor being lawyer for the plaintiff and James Kinch for the defendant. The jury which consisted of Melvin Sharrer, chairman, Claude Forton, Blanche Cole, Alva Capel, Dora Wood and Peter Woodward, brought in a verdict of not guilty.

Y. M. C. A. CONVENTION.
 FELLOW CITIZENS.—Last year we called the attention of the good people of Alma to the state work, and asked them to assist us in paying our pledge. They generously and manfully responded and the pledge of \$50 was soon paid.

Let us say to you friends, that the pledging of that amount in state convention and the promptness of payment, brought Alma college conspicuously to the front rank among the institutions represented in that convention.

The state is divided into districts, each under the supervision of a district committee appointed by the state secretary and subordinate to him. The district in which Alma is situated comprises the associations of Owosso, Flint, Alma, Bay City and East Saginaw. An annual convention is held at one of these places. At a meeting of the district committee last May in East Saginaw, the member from this part of the district urged that Alma ought to be recognized and was entitled to this convention. It was argued against this that the place was too small to entertain delegates. But your member in an eloquent speech placed before the committee the magnanimity of the citizens of Alma and finally won. This convention will be held in Alma Oct. 12 to 14. A fine literary program is made out. Meetings will be held during the day and evening of the three days. An eminent speaker from Detroit is expected to be present. We expect about fifty delegates. These delegates are always entertained by the people. Remember they are christian young men. Now friends have we presumed upon the generosity of our good citizens? We think not. Those who will volunteer to entertain some of these young men for these three days will please leave their names and the number they will accommodate, with James Kress at Ellison's store. The Lord will bless you in every good work.

Yours, R. T. LYND.

Elder Peach of Alma, preached to a large audience at Parkinson last Sunday.

John Michael has his new house about finished, and it makes him a very fine residence.

J. W. Doane started for the upper peninsula last Tuesday, to build a shanty on his pine land claim.

James Ingraham of Sumnerport, lost his house by fire last Friday. Mr. Ingraham and his wife are both mutes.

James Kitchen is still on the sick list. He has been suffering intensely with inflammatory rheumatism. We understand he talks of going to the Alma Sanitarium for treatment.

John E. Parkinson has sold his goods and rented the store building to George Dorne. Mr. Dorne is an energetic young man, and we expect now to see a store running there on strictly business principles.

A Card to the Public.
 Whereas, in last week's issue of the Record I was accused of getting a horse-whipping at the hands of two female strangers for the redress of a supposed wrong which never occurred, it is no more than justice to myself as a citizen of Alma and a taxpayer to state that on the appearance of said females who assaulted me, I took the whip from their hands and pushed them out doors, and that to escape punishment they left the town before a warrant was served upon them for justice demanded.

Signed,
 D. C. FISHER.

RESOLUTION OF COUNCIL.
 Whereas, at a regular session of Village Council, a sidewalk was ordered in adjacent to and abutting upon premises described as follows, viz:

Lot two block five of the village of Alma Michigan, of which Francis Palmer is agent, and, whereas, on the 12 day of June, 1888, a notice requiring the same to be done within thirty days from the date of such notice, was only served upon the owner or occupant of said premises, as shown by the return of the Village Marshal now on file in the Clerk's office, and, whereas, more than thirty days have elapsed since the date of said notice, and the said sidewalk not yet being built in accordance with and as required by such order, therefore, be it

Resolved, that we hereby declare our intention to cause the same to be done in accordance with such order, and that the entire expense thereof be defrayed by special assessment upon the premises above described adjacent to and abutting upon said sidewalk; said sidewalk to be constructed in accordance with the requirements of Village Ordinance, relative to the construction of sidewalks known as Ordinance No. 3, and as specified on the notice duly served as before shown; that the premises herein before described shall be assessed for the expenses thereof, and that the street commissioner and Village Surveyor are hereby directed to make plans and specifications for the same and the estimate of the cost of said work which shall include the cost of the survey, plans and specifications, assessments and the cost of the construction thereof.
